

## Private & Group Swimming Lessons

We provide an introduction to the activity of swimming, but more importantly we believe everyone needs to learn to be safe in the water. Swim lessons can begin a lifelong progression of aquatic activity. Swim lessons will not only benefit you physically, but can also positively impact you psychologically.

Group swimming lessons are offered the first full week of each month on Tuesday, Wednesday and Thursday. The deadline for group lesson sign up is the Friday before the first FULL week of the month. All sessions are 30 minutes. A minimum of 3 participants is required for group lessons. For more information: contact our front desk at (317) 468-6100.
